## HORNLINE VISUALS

### Show-Specific Choreography

Jonathan's unique coupling of theatrical movement and instrumental pedagogy unite to create hornline movements that are both effective and unique for all Jonathan Martin Music Shows.

**Choreography Package: \$125**

Delivered through Digital Access/Download

## COLOR GUARD CHOREOGRAPHY

### Rooted in Technical Training

This resource is especially effective for groups that may not have a full-time guard designer/instructor. The choreography is rooted in dance technique and available digitally for students and staff to access on any electronic device.

**Guard Choreography Package: \$300**

Delivered through Digital Access/Download
