HORNLIN VISUALS

Show-Specific Choreography

Jonathan's unique coupling of theatrical movement and instrumental pedagogy unite to create hornline movements that are both effective and unique for all Jonathan Martin Music Shows.

Choreography Package: \$100

Delivered through Digital Access/Download

COLOR GUARD CHOREOGRAPHY

Rooted in Technical Training

This resource is especially effective for groups that may not have a full-time guard designer/instructor. The choreography is rooted in dance technique and available digitally for students and staff to access on any electronic device.

Guard Choreography Package: \$300

Delivered through Digital Access/Download
